

## **LADIES' CIRCLE**

We ended our last session with a day out to the Popinjay hotel, where we had a lovely Christmas Dinner. It was a great festive, happy day with a really good meal and continuous music to enjoy and have a dance to. Everyone agreed it was a 10/10 outing.

Our new session started back with a meeting of catching up with each others' news and discussing future plans for our summer outing. We will, of course, be having our Burns' Meal on 25<sup>th</sup> January.

Into February and we have our very welcome Ivar Struthers along to tell us about his holiday to Japan... we are so looking forward to that! We're also looking forward to later on that month when we will have Allan O'Brien, one of our local councillors. We will also be having someone along from the Mountain Rescue to talk to us about the work they do; that should be really interesting.

We are all looking forward to the next couple of months and would like to remind you again that ALL ladies are welcome to come along to our Group. We meet on Wednesday evenings at 7pm in the Forge Centre, Balloch. If you are interested or wish further information, please contact me via the church.
