

MEN'S GROUP

The 2016 / 17 speaker programme has continued with more diverse subjects – Italian Cars & the Panama Canal, both of which were very informative and entertaining. Our visit to St Mungo Museum of Religious Life and Art was extremely interesting describing the similarities and differences of the main religions. All of this was topped off with our Christmas meal at Puccini's.

We've had another brilliant & successful Burns Supper with the max number of tickets sold again. This gave a much needed boost to our funds which were depleted due to refurbishing the church benches.

The next part of the 2016/17 programme is as follows:

February 8	Guest Speaker: Bob Moodie on the Fire Service
February 22	Visit: Fairfield Heritage Centre
March 8	Guest Speaker: Andrew Pearson with an Audio-Visual Display
March 29	Visit: Hunterian Museum at Glasgow University
April 19	Visit: Surgeons Hall Museum
May 3	Guest Speaker: Jim Walker – Treasure Trove
May 17	Visit or Guest Speaker (to be confirmed)
May 31	End of Session Meal at Railway Inn

Please do come along and join us – we meet in the Laird's Loft on Wednesday evenings at 7.30pm for the speaker evenings and start with a cup of tea or coffee. Timings for the outings, etc. will be in the Church News Sheet or you can find them on the website or contact Bruce Finlayson (01324 813665).

Please consider this as your personal invitation – we sincerely hope to see you at one or more or even all of these meetings – you will be made very welcome.

P.S. Members feel free to bring a friend!
