

‘J’ TEAM NEWS

The J Team have chosen Jesus’ parable of the ‘Sower and the Seed’ as their focus for the spring / summer session. The children are learning songs, completing story-sequencing activities and will hopefully bring their learning together to present to the congregation at their end-of-session celebration.

It is hoped that we will have an end-of-session J Team family picnic at Colzium House, Kilsyth on Sunday 18th June – sunshine has been ordered for the day! On that same day beforehand, we’ll have our final session in the church with our annual prize-giving.

The 18th June will also mark the start of our summer break and we’ll resume in August, the actual date of that has still to be confirmed.
