

MEN'S GROUP

We are now into the final leg of our 2016 / 2017 programme. Our speaker programme from February to now has had a variety of subjects: the Fire Service, an Audio / Visual Display and Treasure Trove – each speaker was excellent. A special thanks to Jim Walker for stepping in to give a great talk on “Treasure” finds and also many thanks to Ivar Struthers in advance of his talk.

Our visit to Fairfield Heritage Centre took us back to how ships were built in the ‘past’ on the Clyde – the problem is we remember these days! The Hunterian Museum gave an insight to the eclectic collecting of Dr William Hunter. Most of the collection has now moved to the Kelvin Hall.

The programme for this session ends as follows:

May 17	7.30pm	Speaker: Ivar Struthers – A trip to Japan
May 31	7.00 for 7.30pm	End of Session Meal at Railway Inn, Dennyloanhead

Also a Wednesday bowling evening is being arranged during Glasgow Fair fortnight, time and date to be notified.

Our new programme will commence in August with the AGM, provisionally the 30th. Please check the Church News Sheet, the Church website or contact Bruce Finlayson (01324 813665).

Do come along and join us – we meet twice a month in the Session House on Wednesday evenings at 7.30pm for the speaker evenings. We start with a cup of tea / coffee. Every other week we have a day visit to places of interest.

Please consider this as your personal invitation – we sincerely hope to see you at one, more or all of these meetings – you will be made very welcome.
