

LADIES' CIRCLE

The Ladies' Circle had a very varied and interesting few weeks of our last session, with a talk on the Glenn Miller Conspiracy, which gave us all something to think about. We also had a lovely musical evening with Janet Graham – she is always so amusing with her stories etc. And her music always get the feet tapping.

Anne Walker was kind enough to come along to take us through a very nice service for the Easter Celebration and as always, was very much appreciated. Our closing social was a meal in the Smiddy Inn.

For our Summer Outing we went by bus to Rosslyn Chapel, where we had sufficient time to enjoy the wonderful carvings and listen to the guide tell us of the awesome history of the building and the family who still own it. After a couple of hours it was back on the bus to continue on our way to the fair city of Perth, where there was time for some shopping before we all met up at the Salutation Hotel where we had a sumptuous high tea. I am glad to be able to say we had a really nice warm, sunny and dry day, which added to our enjoyment.

Now we look forward to our Autumn session, for which I am sure Jean Stewart has been very busy putting together over the past weeks.

I'd like to remind all ladies in the church that they are invited to come along to our meetings on Wednesday evenings at the Forge from 7pm – 9pm. We have wide and varied interesting speakers, demonstrations and musical evenings for all to enjoy.

Oh, and you also get tea and cake!
