

## **LADIES' CIRCLE**

We have had several meetings of our club so far and they have been most enjoyable.

We were so pleased our new Minister came along to conduct a service which we really appreciated. Afterwards we had our usual tea, talk and cake, which gave us all a chance to introduce ourselves and look forward to more meetings like this.

As usual time seems to fly by so quickly and we are now looking with anticipation to the annual visit from the Salvation Army singers, which is always a great success. We are also looking forward to our Christmas outing which this year will be to the ever-popular Popinjay Hotel, which is a favourite with the Ladies' Circle.

Sadly a few of our members have been unable to join us this session due to illness and infirmity, but we remember them in our thoughts and prayers.

We hope that if there any ladies who would like to come along, will do so. Our club meets on Wednesday evenings from 7pm till 9pm and a warm welcome will be extended to all.

Pat McFadden (secretary).
